RESIDENTS OF NEW YORK - IMPORTANT REPLACEMENT INFORMATION: It may not be in your best interest to replace existing life insurance policies or annuity contracts in connection with the purchase of a new life insurance policy, whether issued by the same or different insurance company. A replacement will occur if, as part of your purchase of a new life insurance policy, existing coverage has been, or is likely to be, lapsed, surrendered, forfeited, assigned, terminated, changed or modified into paid-up insurance or other forms of policy values, loaned against or withdrawn from, reduced in value, by use of cash values or other policy values, changed in the length of time or in the amount of insurance that would continue or continued with a stoppage or reduction in the amount of premium paid. Prior to completing a replacement transaction, you may want to contact the insurance company or agent who sold you the life insurance or annuity contract that will be replaced to help decide whether the replacement is in your best interest.

We help bring a bit of comfort and security to thousands of NPMHU members. HOW TO FIGURE YOUR PAYROLL DEDUCTION For Member Coverage: Locate the rate that corresponds to your current age. Multiply that rate by the number of \$10,000 increments for which you are applying (Example: \$100,000 = 10, \$150,000 = 15). For Spouse Coverage: Locate the rate that corresponds to your Spouse's age. Multiply that rate by the number of \$10,000 increments for which your Spouse is applying. For Children Coverage: Add the flat rate shown in the Children's column. One rate covers all of your eligible Children.
